## Rick Perry for Dan Flynn

*"The State of Texas needs more elected officials like State Representative Dan Flynn -- knowledgeable, hardworking, and honest. Dan's commitment to the common-sense, conservative ideals of the constituents of House District 2 is equaled only by the integrity with which he approaches public service. East Texans have been fortunate to have Dan Flynn on their side."*

**--Governor Rick Perry**

*"As the state's chief law enforcement official, I am proud to support Rep. Dan Flynn's re-election. Rep. Flynn led the fight against the criminals who produce and distribute dangerous methamphetamine drugs. With*

*Dan Flynn, the voters of House District 2 get a law and order conservative who is committed to working with law enforcement to ensure safe neighborhoods and drug-free schools."*

**--Greg Abbott,  
Attorney General**

home. I'm honored to  
support Dan in his  
re-election to the  
Texas House of  
Representatives.*

**--Texas Land Commissioner Jerry Patterson**
