

Pipeline & Utilities Construction

DECEMBER 1992

Serving the Underground Construction Industry for over 46 Years
Water • Sewer • Gas Utility • Pipeline • Electric • Telephone

Fiber Optic/Cable Report

- French Quarter Trenchless Construction • Drilling Rocky Cherokee Creek
- Under The Mississippi • Pulling Forces in Bored Pipelines

Full bore ahead: Using a Jet Trac guided-boring tool and the Subsite® locating system, Dynamic Cable successfully negotiated their way through a maze of service lines. The Jet Trac system enabled the crew to complete the project in a fraction of the time it would have taken for traditional surface excavation.
